The figures furnished by the chief Court justify the establishment of the Second Court as a permanent Court. In Madras, the Standard amount of disposal fixed for Munsiffs is 698 regular Suits and 1077.5 small Causes. As a matter of fact the average working Munsiffs was 709 O.S. & 1435, that is slightly over the standard. Here the number of disposals possibly are more than in Madras, which do as regards small causes. Suits in Madras the Small Cause Jurisdiction of Munsiffs extends up to Rs. 1000. many Suits which are considered here as original are there disposed of as Small Causes. Even if sufficient allowance is made on this account in the quantity disposed of, still the work turned out does not appear to be below the standard. There seems therefore sufficient justification for establishing the Court permanently & the Govt. approve the recommendation, the Judge's remarks upon the report as regards the location of the Court. The only point on which orders are necessary is whether the proposal to establish the Court permanently may be generally approved.

SUBJECT No. 177.

Establishment of a permanent Second Munsiff's Court at Tumkur.

Messrs. H. Venkataramiah, K. Rangiengar and Y. Rama Rao, Tumkur Municipality.

Summary of discussion.—There have been two courts working at Tumkur for 2 years and 3 months and these courts have not been able to appreciably diminish the number of pending cases. Since Tumkur is the headquarters of the district, all the people within the present jurisdiction will find it very convenient if another court is established here alone.

Mr. Singri Nanjappa.—Tiptur contributes a large portion of the litigation of the Tumkur courts, and the additional court should be located there.

Reply of Government.—Will be considered after a year.

Submitted for orders. Proposal for making the 2nd Munsiff's Court at Tumkur permanent has been received & is under consideration.

Sir,

Adverting to correspondence ending with Government Proceedings No.J.4530-34/Cts. 269-15-2 dated the 17th May 1916 extending the term of the temporary second Munsiff's Court at Tumkur, I am directed to state that the condition of the file of the 2nd Munsiff has not shown any tendency to decrease. Both the first and the second Munsiffs in that station are trying their best to cope with the rising file of that Court and are unable to reduce the file appreciably, as shown by the statement* in the margin. The District Judge of Bangalore also represents that the court of the 2nd Munsiff should be made permanent.

Considering the steady increase in the institutions in that Court, the Judges agree with the District Judge and recommend that the second Munsiff's Court at Tumkur be made permanent from the 24th May next.

If the Government should be pleased to approve of the proposal, the Judges
